## Volunteers wanted for MERIDEN IN BLOOM 2018 and competition entry to RHS Britain in Bloom Heart of England Region

**Britain in Bloom** is a nationwide competition between communities across a range of categories. For many, it is a tool for building their community and tackling local issues.

**RHS It's Your Neighbourhood** is a non-competitive scheme for community groups who want to 'green up' local areas, offering advice and awarding certificates of achievement.

If you are interested in getting involved with this great community project, please contact the clerk.
