7. Matters Arising from the Minutes

No matters arising.

8. Correspondence / Communication

1) Public Conveniences.

Situation regarding redecoration, updating and the suggested date for re-opening.

An e-mail received from Sgt King says he and 5 other police over the last two years have regularly patrolled along Main Road and visited the toilets and no one has been found committing any illegal act. But, some men have been spoken regarding their presence in the toilets. The state of the toilets possibly encouraged anti social behaviour. Policing will continue to take place over the whole area and any incident reported at the toilets will be investigated and the appropriate action taken.

RESOLVED

That the toilets remain open. Any problems and the situation will be reviewed.

2) Solihull MBC

Approval has been given for Solihull in Bloom 2007 Match Funding Scheme. The project for this year involves cleaning, painting and improving the planted area around the Centre Cross. Clearing Cross of moss, replacing soil and summer planting to be started mid May by Mr Ball. The outer rail to be painted by Mr Hick after planting completed.

RESOLVED

2) Use of The Green.

Following reading information about Licensing of The Green for entertainments and communications with Solihull MBC it is recommended that interested parties apply to the Parish Council for permission to use The Green. A form has been drafted: activities must be stated, name of organiser, date and time of event. Solihull MBC and Police will be consulted for any observations. The organiser must have public liability insurance and their acceptance of responsibility for health and safety on site.

AGREED

Form approved and for copies to be put into Library.

3) Application to use The Green

Kevin Hunt of The Centre and as part of the Meriden Festival has applied to use The Green on 9th June for stalls, Outreach bus and young farmers. Leaflet produced also mentions live music but this appears to be background music as in previous years.

Solihull MBC and police have been asked for observations. Fine, just as long as there is no obstruction to the footway and carriageway and police will try to have someone visit event.
