Minutes of the Parish Council Meeting held on 22<sup>nd</sup> October 2018  
Venue: Pavilion, Meriden Sports Park at 7.30 p.m.

<b>Present:</b>			
Cllr R Weaver RW	Chair	Cllr J Barber JB	
Cllr F Lynch-Smith			
Cllr R Kipling RK			
Mrs B Bland BB	Clerk		

**In attendance: Cllr K Allsopp and 3 Members of the Public.**

## **1. Welcome & Apologies**

Apologies received from Cllr Nunn (extended leave of absence due to ill health), Cllr M Lee and Cllr P Lee due to prior commitment. No apologies received from Cllr Haque which will be recorded as non-attendance.

**IT WAS RESOLVED** Members accepted apologies from Cllrs Nunn, M. Lee, P. Lee and noted Cllr Haque's non-attendance.

## **2. Public Participation**

RW introduced invited Guest: Mr Paul Tovey, Group Leader, Sustainable Travel & Highway Management, Solihull MBC, saying how appreciative the parish council are for his time to address the many concerns parents have regarding the new school crossing and other Meriden issues, and opened the floor.

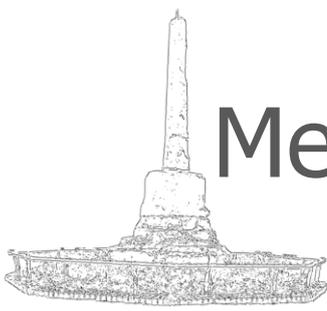

Mr Tovey provided an overview of recent review of the 44 school crossings with best value requirements and financial savings; it is a non-statutory service. Three patrols have been removed being Fillongley, Bentley Heath and Dorridge. A Zebra Crossing is a reliable approach and fits the rural village design. Options of Zebra Crossing v. signalised crossing was evaluated; decision of Zebra Crossing; Pelican and Puffin Crossings both have safety issues. To make this work the additional temporary signs alerting drivers to crossing, cutback foliage re sight line improvement; consideration being given to 20mph mandatory speeds during school hours and a chicane.

Parents raised the following concerns through a Q & A session:-

- 3 signs in 20mph zone in Linden Road, Rowood Drive and North of Borough;
- Evidence used to remove school patrol person? The decision was approved at Cabinet in November 2017 by the officer's recommendation. Public documents to be forwarded to VG to include FOI request and pedestrian crossing assessment.
- No consultation before removal of patrol; where are the stats? Road Safety Partnership recommendation;
- Crossing is not safe; videos/photos have been sent to highways officers as evidence;

- Training undertaken over 2 days with children and reported their horror at what they had witnessed regarding drivers not stopping, stopping across the crossing or blatantly ignoring the crossing.
- One third of Meriden school children have a SEND and the new crossing is difficult for them to comprehend;
- Who is monitoring the crossing; the crossing has been installed without the appropriate infrastructure;

Cllr Allsopp supported the parents present, he has attended site and reiterated Fillongley Road is busy particularly at the junction of Leys Lane; a solution needs to be found and one option is a Puffin crossing with 20mph speed limit; some modification is required to the railings to improve sight lines. He added that anything less than this is not going to work.

- Parents stated they have been advised that Fillongley Road has been described as an arterial road. The B4102 is classified as a 3<sup>rd</sup> tier road that includes HGVs and agricultural vehicles; traffic calming is evident on B-Roads within the Borough such as speed cushions.
- PT advised that a mandatory 20mph speed limit would take 4-6 weeks. Changing the Zebra to a Puffin crossing, sorting out the railings changing to staggered bars and taking out taper would take about 4 weeks.
- An automatic speed monitor, chicane and 20mph speed restriction will be tried first before any decision is made for a Puffin crossing. Consultation with parents will continue and all steps and resolutions discussed this evening will be considered to move forward.

Mr Tovey further updated as follows:-

### **HS2 Road Safety Fund**

There is £2.435M available for legacy after HS2 with consideration to

- (i) Traditional collision trends along network identified;
- (ii) IRAP system – database of collision history and identification of where collision may happen in the future;
- (iii) Community Groups road safety concerns and risk.

Expecting results in December whereby analysis will be evaluated and highways will come back with a plan plus match funding so fund could be £5M. Funding will be available to 2026 for about 4/5 parish councils and 4/5 community groups.

RW added that there will be subsidiary priorities such as holes that have to be filled, local materials, commercial decisions; keeping to the routing agreements as per the Environmental Statement within the Hybrid Plan. PT confirmed that SMBC is part of a local traffic liaison group including Birmingham, North Warwickshire and Warwickshire who will be tracking HGV routes; HS2 have positively signed HGV

routes and limited numbers. This will be important for Meriden given the expansive HGV volumes in and out of Meriden Quarry.

### **Fillongley Bridge**

SMBC have been monitoring the condition of the Bridge; significant work is required and a new scheme is being programmed for 2019-20 at the earliest. RW requested an update for the parish council website.

Highways Works Permit scheme – a website link to Elgin scheme to be shared with parish council so MPC can track what work is programmed.

### **Other**

Heart of England Club – water leak from manhole running down Berkswell Road lifting the surface.

Main Road – water leak behind Main Road sign on frontage of park/telephone exchange running into road and grassed area boggy.

PT noted and will forward to appropriate officers.

***The public meeting concluded at 20.30 hours. Chair thanked Mr Tovey for his attendance, information received, actions and fielding the many concerns of parents regarding new crossing. All attendees left the meeting including Cllr Allsopp.***

Friends are involved with the Arden Tree Scheme, hedge, bulb and tree planting. A site meeting with Ben Wood, SMBC, regarding the tree scheme will be held on site on 25<sup>th</sup> October at 2.15pm. The original proposal for the free trees and hedging has been amended to take account of SMBC maintenance programme and long term sustainability of this site.

**Action: Clerk to liaise with SMBC and Friends to maximise opportunity and SMBC support.**

## 6.3(i) Red Kite Management Plan & Suez Funding

Nothing to report.

## 6.4 Allotments

Nothing to report.

## 6.5 Footpaths/Forum

Nothing to report.

## 6.6 Quarries Liaison Group

Members had been circulated with the communications between the parish council, David Wigfield and NRS Agent Bob Williams. RW reported the following summary:-

- An invitation was received by the clerk for the parish council to attend a meeting and site visit hosted by Mr Williams regarding the proposed A & A, NRS and Tarmac planning applications.
- RW, clerk and Mrs Parker attended the meeting and site visit and received detailed and informative updates regarding each of the above operators' intentions.
- The clerk had received an extension from Mr Wigfield to respond to Tarmac's notification.
- On behalf of the parish council the clerk drafted a response to Mr Wigfield which included information received from Mr Williams during the course of the site visit to each operation. The information received at no time was suggested to be confidential or bound by any agreement by Mr Williams.

- The parish council in good faith and acting with due diligence, duty of care and public interest referenced information received from Mr Williams to Mr Wigfield which has caused quite a reaction and some fall-out.
- The parish council wholly support the clerk’s actions and summary of comments submitted to Mr Wigfield. This was reinforced unanimously by Members that the parish council action was appropriate and professional in responding through the formal route of the LPA as required through parish notification.

Members considered their position in terms of public interest and resident participation in understanding the complexities of Meriden Quarry. There are significant planning applications proposed and discussion surrounded the technical expertise required in commenting on each.

We have now received a further invitation by Sycamore to attend a meeting and site visit to discuss their proposal to revise the design of the biomass plant prior to submission to planning. Additionally today we received the parish notification for A & A to extend their hours of work which will include weekdays, weekends and bank holidays. We also anticipate NRS planning application for their recent acquisition of Coleman’s Yard.

- Members agreed that moving forward the clerk on behalf of the parish council will write to Caroline Spelman MP and attach recent correspondence between the parish council, SMBC and Mr Williams.
- Members further agreed to go public, facilitating a public meeting with invited guest representatives from A & A, NRS and Sycamore.
- Members agreed to circulate all relevant information and invitations to Cllr Diccio as Cabinet Member for Environment & Housing.
- Members agreed for the clerk to engage Neil Pearce, Avon Planning, to reply on the parish council behalf to the A & A application in the first instance.

**Action: Clerk to action Members requests above.**

**IT WAS RESOLVED** Members unanimously approved the above actions to be taken. They further approved the recent clerk’s response to the parish notification using the formal LPA route and appropriateness of comments placed on record on behalf of the parish council.

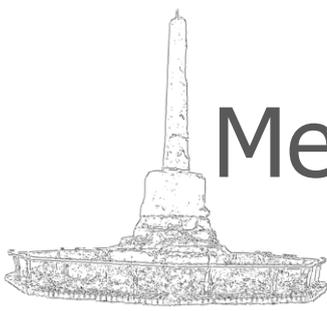

RW advised that she, clerk and Mrs Parker are meeting Nick Atkins, Tarmac Estate Manager for Meriden Quarry, to discuss the concerns and issues raised referred to him by Mr Wigfield, SMBC Planning.

**Action: RW, clerk and Mrs Parker to meet with Mr Atkins on 23<sup>rd</sup> October at 09.30.**

The clerk added that in addition to all the above significant planning proposals, it was disclosed during our site tour and meeting with Mr Williams that Arden Wood will be relocated to Area G, Birmingham Road, agreed with the Packington Estate. A further

Nothing to report.

10.5 Highways  
RW advised that she and the clerk had met with Stephen Hawley, Highways Engineer, SMBC, regarding proposal for traffic calming and removal of yellow lines to the Croft and Glovers. The one hour service road restriction remains but the Main Road layby will have restricted parking for 2 hours maximum only. Yellow lines will be refreshed and the introduction of a loading bay will be introduced to remove the hazard of cars parked on double yellow lines. The proposed TRO will be put out to public consultation prior to any implementation.  
**Action: Clerk to monitor with Highways.**

10.5(i) Grit Bins  
The memory stick provided by FLS is not compatible with clerk laptop and therefore request made for word document to be emailed. FLS advised she had done that this evening but the information was not available to circulate to Members.

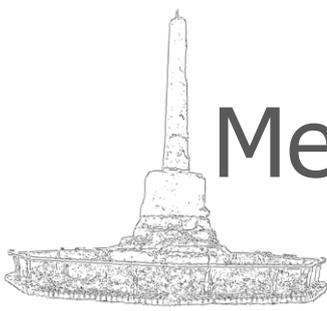

RW advised that SMBC c/o Ashley Prior, had written to parish and town councils regarding a "Winter Hand Gritting Proposal" basically asking if volunteers can store a spreader, salt and organise a schedule to enable parish council responsibility for grit spreading. This received a negative response from neighbouring parishes and Alison McGrory, Assistant Director, will take this back to Highways as it was not her understanding that the content of the letter is correct or agreed.  
**Action: Await further correspondence from SMBC. Clerk to contact Highways and share FLS audit outcome.**

10.6 Land Registry & Ownership
