Meriden Quarry (Cornets End Farm)	PL/2019/01035/EIASCR Screening opinion in respect of proposed quarry for sand extraction	Unknown - EIA Screening Opinion
<p>I can confirm that the request for a screening opinion relates to a potential proposal for new mineral extraction beyond the existing quarry boundary, to the south-east along Cornets End Lane. Apologies that you couldn't access the relevant documents - I had deliberately not made them public initially because, whilst the Council's screening opinion itself goes on the public register once issued, I wasn't sure if the plans and documents provided to the LPA in connection with a request for a screening opinion should also be in the public realm. There doesn't seem to be anything on this point in the Regs but having consulted colleagues we have concluded that there is no reason why the documents should not be made public, so I will change their status so they can be viewed on the internet - but for your convenience, they are also attached to this email.</p>
