

Cllr Carmen Smith

Hi my name is Carmen. I'm a Nurse, wife and mum. I enjoy spending time with my family and friends and organising events. I have just got into walking daily as we have such fantastic walks right on our doorstep.

I love living in Meriden and watching our son grow up here has been so lovely.

He is now in his first year at secondary school.

We've had so much fun here that I want to give something back to the community and help further shape Meriden into an inclusive community
